

How to get to the Option Software Centre

CAR

Coming from Munich take the highway A8 in the direction to Stuttgart. Leave the highway at the exit „Adelsried“ and turn right at the branch.

If you reach Adelsried drive straight on the main street. After 1 kilometer (nearly the end of town) you'll see a store on the right and on the left a branch to a street in the direction to „Streitheim“.

Turn left and follow the road up the hill. On the top, there is a glass building on the right side with our office.

RAIL

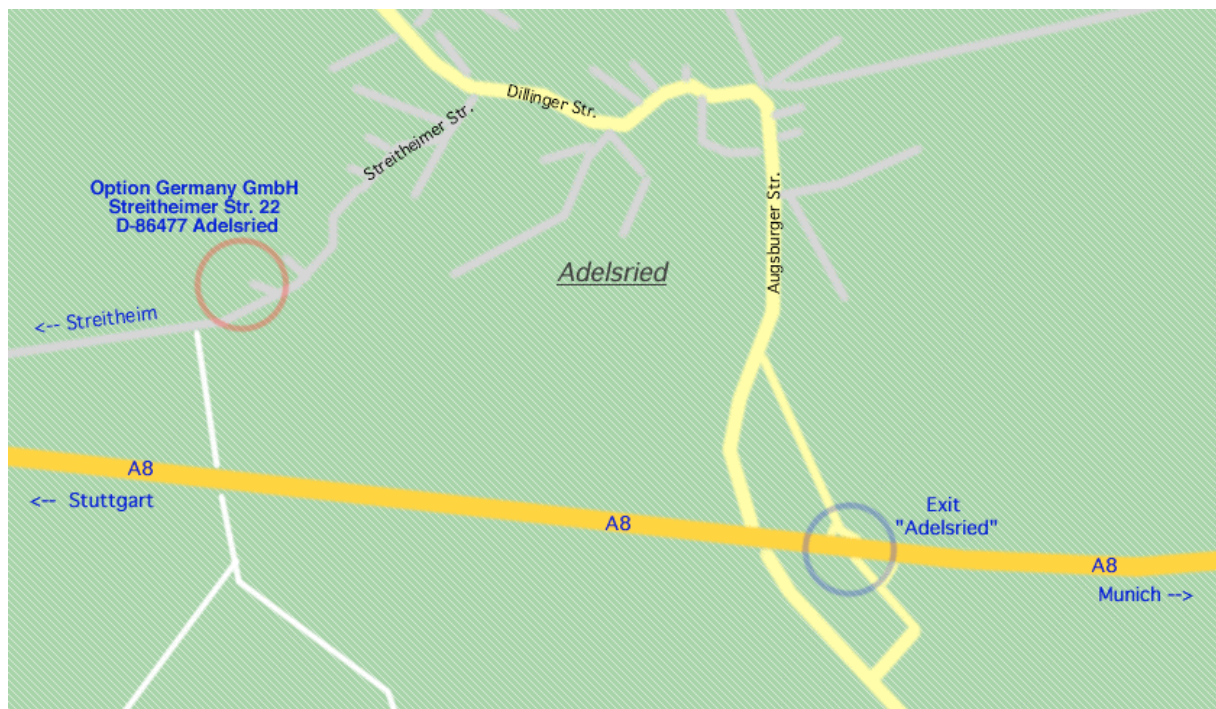

There is no direct railroad connection to Adelsried. Use the main station „Augsburg Hbf“, it is about 20 km from Adelsried. From there use the bus line no. 501.

BUS

From the bus station at „Augsburg Hbf“, line no. 501 departs nearly every two hours throughout every day from 6.00 a.m. to 6:30 p.m. The most suitable station in Adelsried is „Dillinger Strasse“ (previous stations are „Waage“ and „Adelsried Süd“). Journey time is about 45 min. Please turn left after getting off and walk about 5 min. on the „Streitheimer Strasse“ hill up to our office.

PLANE

Munich airport is approximately 100 km east of Adelsried. Connection is through railway to Augsburg Hbf and then by bus to Adelsried. Augsburg Airport is approximately 20 km east of Adelsried but is only available for a limited number of national flights. Connection is by bus across Augsburg Hbf and Adelsried bus line 501.
